A. Definitions

- (i) "Eligible Lines" is defined as the
by Lessee as of the date this Schedule is
executed by the parties. Unless Lessor and Lessee agree

otherwise, any lines purchased by Lessee or added to the Eligible Lines or any Eligible Lines sold by Lessee to another party during the Term, effective on the date of such sale, are deemed to be the lines of another railroad company (a foreign road) for the purposes of determining Revenues (as defined in Subsection 7.A.(v) hereinbelow).

- (ii) "Revenue Rates" is defined as the

- (v) "Revenues" is defined as the sum of
- (vi) The "Base Rent" is defined as
per
Car per calendar quarter (such amount approximates the Per Diem Revenues which the Cars would have earned in the aggregate if the Cars had been on railroad lines other than Eligible Lines for of the hours
that such Cars were subject to the Agreement for any calendar quarter or applicable portion thereof during the Term. The Base Rent for any Car which is not subject to the Agreement for an entire calendar quarter shall be prorated at
per day for such Car during such calendar quarter.
- (vii) "Initial Loading" of a Car shall be the earlier to occur of either: 1) the date such Car shall have been loaded off Lessee's railroad line with the first load of freight; or 2) the thirty-first (31st) day after such Car is first

received on Lessee's lines.

- B. Lessor shall receive all Revenues earned by each Car prior to its Initial Loading. Each Car delivered pursuant to Subsection 3.A. of the Agreement shall become subject to the rental calculation under Subsection 7.C. hereinbelow upon the Initial Loading of such Car.
- C. Lessee agrees to pay rent to Lessor for the Cars calculated as follows:
- (i) In the event Per Diem Revenues earned in any calendar quarter or applicable portion thereof are equal to or less than the Base Rent, Lessor shall retain a sum equal to of the Per Diem Revenues.
 - (ii) In the event Per Diem Revenues earned in any calendar quarter or applicable portion thereof exceed the Base Rent, Lessor shall retain an amount equal to of the Per Diem Revenue earned in excess of the Base Rent and Lessee, subject to Subsection 7.B., shall receive of the Per Diem Revenues received in excess of the Base Rent.
 - (iii) Lessor shall receive of all Mileage Revenues.
- D. (i) In the event that as a result of any action or inaction by Lessee, Lessor shall receive or earn for the use of any Cars, Revenues calculated at hourly or mileage car hire rates that are lower in amount than those specified in Subsection 7.A. (ii), Lessee shall pay to Lessor, within ten (10) days of Lessor's request, an amount equal to the difference between the Revenues such Cars would have earned at the Revenue Rates and the amount of revenues actually received or earned for such Cars.
- (ii) Should any abatement, reduction or offset occur as a result of any action or inaction of Lessee, Lessee shall, within ten (10) days of Lessor's request, reimburse Lessor the amount of such abatement, reduction or offset.
- (iii) If, at any time during the Agreement, Lessee operates lines other than the Eligible Lines, Lessee shall supply Lessor with records which distinguish the movement of each Car on the Eligible Lines from the movement of such Car on any other lines operated by Lessee.
- E. Any agreement between Lessee and any other party with respect to the Cars ("Third Party Agreement(s)") shall be null and void without Lessor's prior written approval if such Third Party Agreement affects the revenues earned by the Cars.

- F. The calculations required in Section 7 shall be made within five (5) months of the end of each calendar year ("Final Calculations"). Lessee shall pay to Lessor by the sixtieth (60th) day after the end of each Service Month (as hereinafter defined), eighty percent (80%) of the total Revenues for that Service Month. For the purposes hereof, "Service Month" shall be defined as the calendar month in which Revenues were actually earned. At the time payment of eighty percent (80%) of the total Revenues is made to Lessor, Lessee shall report to Lessor for the same month the hours earned, miles traveled and dollar figure for one hundred percent (100%) of the Revenues. Ten percent (10%) of the Revenues shall be remitted to Lessor within ninety (90) days after the end of each Service Month and the remaining ten percent (10%) of the total Revenues shall be remitted to Lessor within one hundred twenty (120) days after the end of each Service Month. Lessor shall within three (3) months of the end of each calendar quarter, calculate on a quarterly year-to-date basis, the approximate amount, if any, due either party pursuant to this Section. Any amounts payable pursuant to the preceding sentence shall be paid promptly following such calculations, provided, however, that within twenty (20) days following the Final Calculations, any amount paid to either party in excess of the amounts required shall be refunded to the appropriate party.
- G. If, with respect to any calendar quarter, Per Diem Revenues received by Lessor for the Cars in the aggregate while they were on railroad lines other than the Eligible Lines are less than the Base Rent then Lessor may so notify Lessee. Within ten (10) days of receipt of such notice from Lessor, Lessee shall either:
- (i) Pay Lessor the difference ("Difference") between the Base Rent and the actual Per Diem Revenues for such calendar quarter and agree to pay any Difference for any subsequent calendar quarter in which such Difference occurs for the duration of the term of the Agreement with respect to the Cars in this Schedule. Lessee shall pay Lessor such Difference not later than sixty (60) days after the calendar quarter in which such Difference occurs.
 - (ii) Elect not to pay Lessor such Difference for such quarter. In such event, Lessor may terminate all or any of the Cars described in this Schedule from the Agreement upon not less than thirty (30) days' written notice to Lessee at any time during the duration of the Agreement.
- H. If any Car has remained on Lessee's property because Lessee has not given preference to the Car as specified in Subsection 2.B. of the Agreement, Lessee shall be liable for and remit to Lessor an amount equal to the revenues which would have been generated if such Car had been in the physical possession and use of a railroad for the

entire period during which such Car is on Lessee's property due to such failure, with each Car traveling seventy (70) miles per day.

8.
 - A. Lessee agrees to defend, indemnify and hold Lessor harmless from any and all claims, losses, damages, liabilities, costs, and expenses (including attorney's fees) with respect to, caused by, or arising out of the Cars which are occasioned by the fault of Lessee, occur while the Cars are in Lessee's possession or control, or would be the "handling carrier's" responsibility under the Interchange Rules, as if the Cars were not bearing Lessee's reporting marks.
 - B. Except as provided in Subsection 8.A. above, and except for those claims, losses, damages, liabilities and expenses for which Lessee shall be responsible as set forth in this Agreement, Lessor shall indemnify and hold Lessee harmless from any and all loss, damage or destruction of or to the Cars, ordinary wear and tear excepted.
 - C. The indemnities and assumptions of liability contained in this Agreement shall survive the expiration or termination of the Agreement.
9. Upon the expiration or termination of the Agreement with respect to the Car(s) described in this Schedule, if some or all of the Cars are to be delivered to Lessor at Lessee's railroad tracks, Lessee shall be responsible for any transportation costs incurred in moving such Cars to said tracks subsequent to the time of expiration of this Agreement as to the Cars. Lessee shall, at Lessor's option, provide up to one hundred twenty (120) days' free storage on its railroad tracks for any Car which is either on Lessee's railroad tracks at expiration or is subsequently returned to Lessee's railroad tracks. Said one hundred twenty (120) days shall run either from expiration or from the date such Car is returned to Lessee's railroad line subsequent to expiration, whichever date is later. If requested to do so by Lessor, Lessee shall, at Lessor's option, either move a remarked Car to an interchange point on Lessee's lines selected by Lessor or use its best efforts to load the remarked Car with freight and deliver it to a connecting carrier for shipment.
10. Except as expressly modified by this or any other Schedule, all terms and provisions of the Agreement shall remain in full force and effect with respect to all Cars subject to the Agreement.

11. This Schedule may be executed by the parties hereto in any number of counterparts, and all counterparts taken together shall be deemed to constitute one instrument.

Each party, pursuant to due corporate authority, has caused this Schedule to be executed by its authorized officer, and each of the undersigned hereto declares pursuant to 28 U.S.C. Section 1746 under penalty of perjury that the foregoing is true and correct and was executed on the date indicated below its signature.
